

Safety Information for product Megatherm

Regulatory Informations

Carrara sealing products are supplied as finished articles. In accordance with the definition of an article under regulation (EC) No. 1907/2006 (REACH, Article 3.3) and under OSHA Hazard Communication Standard 29 CFR 1910.1200(b)(6)(v), these products do not release hazardous substances under normal of reasonably foreseeable conditions of use. Therefore, the provision of a Material Safety Data Sheet (MSDS) or Safety Data Sheet (SDS) is not required.

Users of Carrara Sealing Products have the responsibility and legal duty to carry out an adequate and sufficient risk assessment before using the product. Such assessment must take into account all applicable local regulations and relevant safety measures.
